BANK OF MAYSVILLE WILL ERECT BEAUTI- FUL NEW HOME

Most Modern Banking Building Con-
ceivable Will Be Built on Present
Site of Bank of Maysville
New Consolidated Bank—
Plans Drawn Show
the Magnificent
Structure.

Maysville is to have in the imme-
diate future another imposing struc-
ture in the very heart of the business
district. This building, in many re-
spects, will be the most attractive
business house in the city.

The directors of the consolidated
Bank of Maysville in their first meet-
ing held Thursday afternoon definitely
decided to build an entire new
building for their bank on the present
site of the old Bank of Maysville
building. For several weeks Weber &
Weber, Cincinnati architects, have
been working on plans for the pro-
posed new building and the first
sketches were submitted to the direc-
tors Thursday and greatly pleased them.

These drawings are for a building
110 feet and 6 inches deep and 43 feet
and 6 inches wide. This takes in the
entire width of the Bank of Maysville
lot. The building will be of stone and
brick and two stories in height. The
front will be stone, with four large
and handsomely carved pillars
running from the ground line to the
cornice. The new building will be
built on the level with the sidewalk
and entering the massive doors one
will step into a large lobby 38 feet and
6 inches wide and 19 feet and 6 inches
deep. At the end of this lobby coun-
ters will be placed on either side leav-
ing a lobby between the counters of
46 feet—18 feet wide leading back to
the vaults at the rear.

The new bank will contain three
large vaults—a money vault, book
vault and a special vault for safety
boxes.

On the East side of the main floor
will be located the officers' quarters
and the Savings and Note Tellers
while the West side of the building
will be located the commercial depart-
ment where are the paying and record-
ing tellers as well as the bookkeepers.

Back of this lobby and around the
vaults will be two consultation rooms
and an ample number of coupon
booths, toilet and rest rooms for the
use of employees and customers.

Entering the second story by a
beautiful stone stairway leading from
the West side of the front lobby one
will enter a magnificent Mezzanine floor
on which will be located a director's
room and a ladies' reception room.
From this Mezzanine floor one will look
down upon the main banking room.
From the edge of this Mezzanine floor
the main banking room's ceiling will
reach to the top of the building in
which there will be many sky lights.
This high ceiling will extend back to
the large vaults and over the vaults
a large number of windows will admit
much light onto the main banking
room.

The fixtures of the new bank will
be of marble and mahogany. Work
will be begun at once at dismantling
the fixtures in the old Bank of Mays-
ville building as they will be used in
the new building. The old building
will be torn down to the ground and it
is thought that within a month the
contract for the erection of the new
building will be let by the directors.

Weber Brothers say that the new
Bank of Maysville building will be the
most modern banking house possible
to erect and it will contain all of the
most modern appliances to assist in
the handling of the bank's immense
business.

Mason County Rhode Island Red
Eggs For Standardization In
Their Counties.

Mason county's fame as the home
of pure bred Rhode Island chickens
is growing rapidly throughout the
state and neighboring states. Many
inquiries about our standardization
plan have been received here by County
Agent George Kirk and already orders
for Mason county eggs are coming
in in goodly numbers.

Agent Kirk this morning received
an order from Lewis county for a case
of pure bred Rhode Island Red eggs
and accompanying the order was a
check for the eggs at the rate of six
cents each. Several orders have also
been received from Boyd county but
as yet these orders have not been filled
for the demand in Mason county is
great.

Breeders of pure bred Reds are
urged to have their flocks culled down
to standardization and they will ob-
tain high prices for all the eggs their
flocks can produce this year. At the
meeting for ladies and children to be
held Saturday afternoon breeders can
learn much about culling their flocks.
Many should attend.

AMERICA SHOULD
BE BEST DRESSED
NATION ON EARTH

Position This Country Occupies in
World Affairs Demands That Peo-
ple Here Make Dress Up a
Year Round Event.

The patch is no longer the mark of a patriot. Conservatism should now be tempered with a measure of indulgence becoming the spirit of the times. We are not facing the conditions which prevailed before the war. We are experiencing an era which is totally unlike any period within the recollection of the present generation.

Not since we helped establish a new republic at our doors and made this part of the world altogether safe for democracy has this nation felt the thrill of a victory. America has always been proud, and justly so. The supreme test came less than two years ago, and we came through with flying colors. Our proud spirit has been vindicated.

Today we enjoy the respect and admiration of the entire world. Are we to hold our heads high, as the bravest and the richest country in the world, yet dressed as a nation of paupers? A haughty, self-assertive spirit does not command admiration when it is cloaked in threadbare garments. This, if ever, is the time to dress up, to celebrate our recent victory, to justify our position in the world, to enjoy the blessings of our citizenship, and to aid us in our daily business and social affairs.

Every merchant in Maysville will lend his hearty co-operation to the celebration of Dress-Up Week in this city next week. The windows of all local shops and stores will be artistically decorated with the latest of fashion's creation.

Chairman Myron Merz of the local committee, assures all who will visit Maysville next week that they will have an opportunity to see the latest and best in clothing for men, women and children in Maysville stores.

ROWAN COUNTY
PACIFIER DIES
IN FLORIDA

Daniel Boone Logan Ended Career of
Notorious Tolliver Gang.

Daniel Boone Logan, said to be the
richest man in Bell county, whose
life's story reflects the picturesque
thrills of one of Kentucky's bitterest
feuds, died in St. Petersburg, Fla., ac-
cording to word received by friends at
Louisville yesterday.

In his early years he led the men
who rid Dowan county of the notorious
Tolliver gang, and reclaimed that
section of the State from its bad reputa-
tion.

Mr. Logan owned coal mines and
timber acreage all over Bell county,
which rated him as one of the wealthiest
men in the State. He maintained his home in Pineville. He was also a lawyer of considerable reputation.

Clarence E. Walker, who knew Mr.
Logan intimately, told the story of
Logan's spectacular career in Rowan
county:

"Craig Tolliver, the notorious leader
of the villainous band of desperadoes which operated around Morehead
had conceived the idea of running
for County Judge. It was in the days
of *viva voce* voting and Logan, then a
young lawyer, quiet, unassuming and
of considerable property and practice
there, having offended Tolliver by
voting for Tolliver's opponent as the
feud leader stood beside him, threat-
ened Logan.

"Tig and a Tolliver woman were
sent 200 or 300 miles away from Rowan
county. Lawlessness ceased.

"Indeed of being afraid and run-
ning away, Logan went home and
strapped on a gun, the first time in
his life he had worn one, but on his
wife's plea, went away, ostensibly to
Cincinnati on business.

"Tolliver is said to have sent an
insulting message to Logan and the
result was that the young lawyer
went to Frankfort and is said to
have proposed to the Governor that
he could give him assurance that
he would not be prosecuted, he would
go to Rowan county and wipe out the
feud.

"I'll give you until Saturday to
back up and move away from here,"
he told Logan.

"Indeed of being afraid and run-
ning away, Logan went home and
strapped on a gun, the first time in
his life he had worn one, but on his
wife's plea, went away, ostensibly to
Cincinnati on business."

FIRST LECTURE GIVEN
ON AGRICULTURE TODAY

Twenty-Six Mason County Teachers
Attend Meeting of Agriculture
Class to Be Taught Each Week
By County Agent George
Kirk.

There was a splendid attendance of Mason county school teachers at the first meeting of the class on agriculture which was held at the Chamber of Commerce building this morning and which was instructed by County Agent George Kirk. Mr. Kirk is well informed on all phases of agriculture. He has studied theory in one of the best Universities in the country and has had practical experience of several years on the farm.

The first lecture was very interesting and was greatly enjoyed by the teachers who are brushing up considerably on agriculture before the state examination. Under the new state law all teachers will this year have to pass a satisfactory examination on agriculture as they will be expected to teach the study next year.

These lectures will be given in the future each week and every teacher who desires to obtain more knowledge of the subject in order to properly teach the study should avail themselves of this great opportunity.

NEGRO CONFERENCE IS
EXTENSIVELY ADVERTISED

The conference on After the War Problems to be held by the colored people of Mason county in the two Maysville colored churches next week promises to have a large attendance as the meeting is being extensively advertised all over Mason and adjoining counties. Some of the biggest colored men in the states of Kentucky and Ohio will be on the three days' program.

DOCTORS PRESCRIBE VINOL

For Schoolboy To Create Strength After Sickness

Vineland, N. J.—"I am a schoolboy, 17 years of age, and typhoid fever left me weak and debilitated, so I had to stay out of school three months—my doctor prescribed Vinol. It has built up my strength and now I am feeling fine."—S. E. Bunce.

The reason Vinol was so successful in this boy's case is because it contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the very elements needed to build up a weakened, rundown system, make rich, red blood and create strength.

SPLENDID SERIES OF
SUNDAY SCHOOL LESSONS

The special attention of the readers of this paper should be called to the splendid series of topics to be studied and discussed in the older class of the Sunday Schools throughout the country. The study does not follow any historical line but instead the next three months will be taken to re-study the fundamentals of the Christian Religion. Such general topics as the following will be studied: "God Our Heavenly Father", "Christ Our Saviour", "Our Risen Lord", (an Easter topic), "The Holy Spirit Our Helper", "Man Made In The Image of God", "Sin and Its Consequences", "The Saving Grace of God", "Repen-tance", "Faith", "Obedience", "Prayer", "Love". The lessons for summer months will be equally as interesting.

The younger people of the community especially should be in attendance upon some Sunday School of this community and get the benefit of these splendid lessons. No one is too old in the Christian life to re-study these vital topics. Therefore, not only on Go-to-Bible-School-Day, May fourth, when the lesson is 'Man Made in the Image of God', but every Sunday for the next quarter should find all the people of this community in some Bible School class.

A. F. STAHL.

COLORED NEWS

The meetings to be held April 8, 9 and 10 at the Bethel Baptist and Scott M. E. Churches, should be of tremendous value to the colored people of this part of the state. All subjects to be discussed are extremely timely and necessary. The ones to lead these discussions are expert or experienced men in their respective lines. Negro farming, business, pleasures, education, religious, citizenship and problems affecting the colored soldiers' return to civilian life, should be of vital importance to both white and colored.

Mr. C. L. Harris, Colored State Y. M. C. A. Director, is reputed as having a better grasp of Negro conditions in this state and their solutions than any other man. He is the dynamo of all these meetings. Rev. Chas. H. Parrish, a noted Baptist Divine and the President of State University, is said to be the most influential and one of the most learned Negro men in the whole Southland. Dr. Roberts, the great Methodist pastor of Allen Temple, Cincinnati, is known as the best speaker and one of the greatest Negro scholars of Ohio. Messrs. Wilson Lovett and George W. Reid of the Standard Life Insurance Company, have better knowledge of Negro business enterprises than any other men in the country. Dr. A. B. Deany of Winchester is a leader in his profession, a speaker and scholar of the highest standing.

ARTISTS AT FUN
MAKING IN CAST
OF PINK DEVIL

Saturday's Offering at the Washington Is a Real Laugh Show With Class and Pep.

Leonard Grover, the well known character comedian, will be seen in a new farce with music called "The Little Pink Devil". The story of this farcical play concerns one, DeWitt Clinton Hyde, a retired merchant, who with his wife and daughter, comes to a seaside hotel of large proportions, there to get rest and recreation. The wife is of a somewhat jealous disposition and is one of those commanding figures known as militant suffragettes, and she at all times seems to keep an eye on her husband, who is not above enjoying himself in a manner not at all to the liking of his better half. At the same hotel, is living a young actress and cabaret performer who is known as "The Little Pink Devil", to her many admirers, and who instantly becomes attractive in the eyes of the retired merchant. His endeavors towards having a quiet little luncheon with the actress, without having his wife find out all about it, occasion numerous and amusing complications. There are other highly amusing situations in particular the one in which causes the mixup between the cute little baby and the dog.

To this farce comedy has been added some twelve musical selections which will be sung by those who have excellent voices. Leonard Grover will be seen as DeWitt Clinton Hyde and as the part was written especially to fit Mr. Grover, and he'll be seen at his best. Mr. Grover has been seen in many successful comedies, and always keeps his audience with him from his first entrance.

Winsome Kitty O'Neill, who plays the part of title role is a frolicsome young lady just beaming over with fun as a comedienne, she has won some reputation in New York Musical reviews. Miss O'Neill has a sweet singing voice and in addition is a pianologist of big repute. Elsie Gilbert, the dainty little ingenue, who has a delightfully sweet voice, will sing several selections and will be seen in the part of the bashful daughter. Ella Cameron, as the Militant wife has a character perfectly suited to her. Tommy Dobson as the hotel bell boy always on the hunt for tips, is highly entertaining. The Misses Gilbert, Mabel and Elsie, are two pretty girls, clever singers and hifly dancers.

There are others who are specialty people and who aid in the cabaret scene. Special scenery is carried by the company. The ladies' gowns are all most attractive and the musical numbers of the catchiest kind. The Little Pink Devil is the Washington Theater attraction for Saturday, matinee and night.

BOYS OF STATE WILL
AID IN 1919 HARVEST

Frankfort, Ky., April 4.—George E. Stephens, of Louisville, State Director of the Boys' Working Reserve, has notified Superintendent of Public Instruction Gilbert that circulars have been mailed to 10,000 farmers explaining the work to be done by the Reserve Corps. Enclosed with the letters were cards which the farmers were to sign in case help was needed.

Farmers signing the cards and returning them to State Director Stephens will be furnished help from the Boys' Reserve when the harvest season rolls around.

MANCHESTER PAPER SHOWS
CONSIDERABLE IMPROVEMENT

This week's issue of the Manchester Signal is one of the most attractive editions of that newspaper ever seen on this desk. The paper shows progressive management and is not only 100 per cent. improved mechanically but also 100 per cent. improved in local news. The people of Manchester neighborhood are to be congratulated that they secured one of our Maysville printers, Mr. Otis White, who is now giving them a local paper that is OK in every respect.

FOLKS UNABLE TO FIND HOUSES

If your landlord sells your house you are all out of luck in Maysville just at this time for finding a house to rent just now is worse than searching for the proverbial needle in the haystack. The thing that Maysville needs this summer worse than anything else is a big building program carefully carried out.

COMMUNITY CHORUS IS
PLANNING CANTATA

The Mason County Community Chorus, under the direction of their leader, Mr. Carl Dodds, is planning a great cantata to be given on Easter Sunday evening. The members of the chorus hope to make this the greatest musical program that has been given by that body yet and they will begin practise immediately.

CONTEST ON FOR
THE GO-TO-SUNDAY-
SCHOOL CAMPAIGN

Various Contests Announced By Spe-
cial Sunday School Committees—
County Schools May Design
State Emblem.

The Sunday Schools of Mason county have the opportunity of designing a flag or banner to be adopted by the Kentucky Sunday School Association as the official emblem for this organization for the future. This privilege was granted Mrs. J. C. Burwell, Chairman of the "Go-to-Sunday-School" campaign for Mason county by Mr. George A. Joplin, President of the Kentucky Sunday School Association. This distinctive privilege, if accepted and conditions fully complied with will characterize Maysville and Mason county as leaders in this work, and will consequently become a matter of historical record, to which we can refer with just pride. Every great movement or organization must have an emblem, which fully expresses its purposes and policies. Who will be the one to create such an emblem for the Kentucky Sunday School Association? Other plans for the campaign follow and each Sunday School is requested to accept them with the hope that Mason county will have the largest attendance on "Go-to-Sunday-School Day", based upon the population of the county.

First—It is recommended that each school put up a big sign in front of their own church, the Sunday previous and kept up until Go-to-Sunday-School Day.

Second—That each school send out its own form of card or invitation and try to get every one possible to come, and also to provide autos for shut-ins and stay-at-homes.

Third—That as far as is practical that each school use the program gotten out by the State Association. These will be furnished free of charge upon application to the genial chairman, Mrs. J. C. Burwell. It is urged, however, that each school make more of the lesson study hour, that it may be a real spiritual uplift as this seems more important than any especially attractive program.

Fourth—That each school have its classes enter the "Jingle Contest." This means that each class is to make a rhyme or jingle on Go-to-Sunday-School-Dya and turn in the same at Chamber of Commerce by April 19th where they will be read over and the best ones printed in the daily papers.

Fifth—That each school pay its proportionate part of the general expenses incurred by the Sunday School Drive for the city and county. It is also asked in view of the fact that Mason county fell short of her quota, \$200, for the State Association for last year that each school contribute its entire collection to the Kentucky Sunday School Association.

Further plans of the city were made by the general committee as follows:

First—That every child in the graded schools be urged to write a jingle on Go-to-Sunday-School-Day, and same to be handed in by April 19th at Chamber of Commerce where the best will be judged and published in the daily papers. Prof. C. S. Dale to have charge of this contest.

Second—Each family in town is asked to make a flag suitable for Go-to-Sunday-School-Day using mottoes, colors or signs or anything to bring out any individual idea appropriate for the Go-to-Sunday-School-Day. Size to be determined by the maker. These flags are asked to be displayed on small flag staff one week before Go-to-Sunday-School-Day, after which they will be collected and judged and the best one displayed at the State Convention in Ashland, then finally selected for the State Go-to-Sunday-School-Day flag for all time to come.

Third—The best composition anyone will write on "Why I Go to Sunday School" will be published in the daily papers if handed in at Chamber of Commerce one week before May 4th. MRS. J. C. BURWELL, Chairman.

Louisville, Ky., April 4—Thomas S. Rhea, of Russellville, who was Democratic State campaign manager at the last election, Thursday made his formal announcement as a candidate for the Democratic nomination for Governor.

Mr. Rhea managed Senator Beckham's senatorial campaign and was chosen by Gov. Stanley to conduct his campaign when he made the race to succeed the late Senator Ollie James.

"I make this announcement after having had this matter under advisement several weeks," reads Mr. Rhea's formal announcement, "having conferred with leaders representing various elements in the party and believing that if nominated that I can carry the party banner to Victory in November. Within the next few days I shall announce my position on all public questions, believing that the people have a right to know how the candidate stands on all questions affecting their interests."

Mr. Rhea served a term as State Treasurer during the administration of Governor McCrory.

Other Democratic candidates are Prof. H. H. Cherry, of Bowling Green; Chief Justice John D. Carroll, of New Castle and Lieut. Gov. John D. Black, of Barboursville.
